MÜLLSAMMELSTATION
Wir befinden uns im Naturpark der Drei Zinnen, und der Schutz der Umwelt ist für uns eine der wichtigsten Herausforderungen. Wir kennen uns zu einer umweltfreundlichen Philosophie in Bezug auf unseren Planeten. Unser Engagement wird daher in konkrete Aktionen zum Schutz der Umwelt umgesetzt sowie die differenzierte Sammlung von:

- Glas
- Plastikflaschen (PET)
- Plastikverpackung
- Karton/Papier
- Aluminium
- Restmüll/Biomüll

CENTRO RACCOLTA RIFIUTI
Ci troviamo nel Parco Naturale delle Tre Cime e la salvaguardia dell'ambiente è per noi una tra le sfide più importanti. Nel nostro piccolo abbracciamo una filosofia eco-friendly nel rispetto del nostro pianeta. Il nostro impegno, si traduce, pertanto, in maniera concreta in azioni a tutela dell'ambiente, tra cui la raccolta differenziata di:

- rifiuti indifferenziati ed organici
- bottiglie di plastica (PET)
- imballaggi di plastica
- carta/cartone
- alluminio
- vetro

WASTE COLLECTION CENTRE
We are located in the Natural Park of the Three Peaks and the protection of the environment is one of the most important challenges for us. In our small way we embrace an eco-friendly philosophy while respecting our planet. Our commitment is therefore translated into concrete actions to protect the environment.

- For example the differentiated collection of:
- glass
 - plastic bottles (PET)
 - plastic packaging,
 - paper/cartons
 - aluminium
 - residual and organic waste
